PRÉFACE.

La mort est venue brusquement, en 1917, frapper en pleine activité le regretté GEORGES LEGRAIN, avant qu'il ait eu le temps d'achever la publication du *Catalogue des statues et statuettes de rois et de particuliers* conservées au Musée du Caire. Le tome III en avait paru dès 1914; mais la guerre mondiale avait forcé le Service des Antiquités à remettre à des temps meilleurs l'impression des volumes suivants.

M. P. LACAU songe maintenant à reprendre la publication de cette importante série du *Catalogue général*. Mais avant d'éditer un nouveau volume et sans attendre l'achèvement de l'ensemble, il a voulu, dès maintenant, faciliter aux savants l'usage des trois premiers en leur fournissant les divers *Indices* qui en sont le complément nécessaire et dont Legrain avait différé la rédaction jusqu'après l'achèvement complet de l'ouvrage. Ce sont ces *Indices*, au nombre de dix (subdivisions générales, — concordance des numéros, — matières, — dates, — provenances, — divinités, — noms royaux et princiers, — noms propres de particuliers, — dignités, titres, métiers et fonctions, — noms de lieux) qui font l'objet du présent volume.

H. GAUTHIER.

ERRATA.

De nombreuses erreurs se sont glissées, principalement au tome I^{er}, dans les numéros de concordance indiqués par Legrain tant avec son *Journal de fouilles* qu'avec le *Journal d'entrée du Musée*. Voici la liste de celles que M. G. Lefebvre et moi avons relevées.

- N^o 42005. *Journal d'entrée*. Au lieu de : n^o 33797, lire : n^o 33767.
